Grayne® Shingle Siding

As Real As It Gets

Foundry is excited to offer Grayne Shingle Siding, a line of siding that is the choice of discerning builders looking for a custom cedar appearance.

Foundry's Grayne Shingle Siding perfectly replicates the look of cedar with its undeniable curb appeal and true-to-life, weathered color selection. It features a realistic wood grain that you have to see and touch for yourself to truly appreciate. Grayne Shingle Siding offers more than exceptional curb appeal – it's also easy to install with minimal waste and little maintenance.

7.5" Grayne | Aged Grey (451)

Aspen Brown (405)

5" White Cedar

Foundry's 5" White Cedar color palette incorporates the subtle color gradations and variations in the grain of plain-sawn shingles, giving the striking appearance of true cedar from every angle. Instantly get the look of aged cedar without any of the maintenance that accompanies real wood.

Mountain Ash (457)

Autumn Shade (402)

Cape Grey (401)

Lakeside Blue (403)

Ridge Moss (404)

Aspen Brown (405)

Actual Colors may vary from printed representation.

Treated Cedar (453)

7.5" Red Cedar

What makes natural cedar shingles so striking is the color variance found in the woodgrain. That's why 7.5" Red Cedar offers six warm and welcoming cedar colors that have light and dark points like cedar found in nature. Ranging from stained looks to aged cedar, it's easy to find the perfect match for any project.

Mountain Ash (457)

Rustic Slate (458)

Treated Cedar (453)

Aged Grey (451)

Harvest Shade (456)

Heritage Grey (455)

Accessories and Trim

Providing aesthetic advantages, and a look that will last a lifetime, the following attention grabbing accessories are designed to match Foundry Specialty Siding.

Moisture-resistant cellular PVC provides maximum water management when installed correctly. You can choose to stick with their brilliant white color or paint them to match any surrounding elements.

Create a professional appearance utilizing TruExterior accessories as the perfect complement to Foundry Siding. These poly-ash accessories are easy to cut, require no end sealing or special adhesives and can be painted any color including dark hues.

Mid-America® mount blocks and utility vents are available in solid colors to match Foundry Siding and produce a clean, consistent finished look for all side wall penetrations, including exterior lighting and utility accessories.
