

# GRAYNE® ACCESSORIES

## Mounting Blocks & Utility Vents

- Solid colors developed to match Grayne shingles
- Produces a clean, consistent finished look for all side wall penetrations including exterior lighting and utility accessories
- Installs quickly and provides a flat surface

**4" Hooded Vent**

Subtle details elevate the concealed vent flap from functional to fashionable

**Louvered Exhaust Vent**

Patented exhaust flaps stay closed when not in use

**Jumbo UL Mount**

A centered, UL-listed 18 cu. in. outlet box

**Square Mount Block**

An attractive, level and waterproof surface for all exterior accessories

**Split Block Mini**

Splits apart to fit around existing pipes and vents

**Recessed Mini**

Provides a clean, simple finish around electrical outlets

## J-Channel

- Solid colors developed to match Grayne shingles
- Commonly used for inside corners and in gable applications

## Undersill

- Solid colors developed to match Grayne shingles
- Typically used to terminate at soffit and under window sills
